2. Soft Oil Clay

- ▷ Soft oil clay that does not harden and can be reused.
- ▷ This is **a new material grain clay** that has been developed as a clay substitute.
- ▷ Made from Vaseline cream, vegetable oil mixed with rice and starch with no wheat (gluten) ingredients.
- ▷ Due to the **high moisturizing effect** of cosmetics, even children with eczema or atopic dermatitis can safely use it without irritation even for sensitive and sensitive skin.
- ▷ Even if you leave the zipper open to let air in, the soft oil clay will never harden.
- ▷ The three-dimensional object you want to express is often easily created, so you can enjoy the best art learning effect.
- ▷ Weight: 100g / 200g / 300g
- ▷ Size: (100g)100*100*8mm / (200g)100*100*18mm / (300g)100*140*18mm
- ▷ Color: Bright Brown
- ▷ Age: +3

3. Multi Color Soft Oil Clay

- ▷ Multi color soft oil clay is a new material grain clay that has been developed as a clay substitute.
- ▷ It is a set of 7 basic colors and a engraving knife and has a cylindrical shape.
- ▷ Made from Vaseline cream, vegetable oil mixed with rice and starch with no wheat (gluten) ingredients.
- ▷ Rice and starch are the main ingredients, and as time goes by after manufacturing, it becomes more and more chewy.
- ▷ If you store it in direct sunlight or high temperature for a long time, the smell of oil will get worse, so it cannot be used for a long time.
- ▷ The three-dimensional objects you want to express are often easily made, so you can enjoy the best art learning effect.
- ▷ The work is easily completed by simply attaching it as it is by releasing the divination
- ▷ Size: 20*80mm
- ▷ Color: White, Yellow, Blue, Red, Pink, Green, Black
- ▷ Age: +3
